

345 - State Board of Education

A028 State Board of Education

The State Board of Education is a separate state agency funded within OSPI's budget. Each member represents one of the state's congressional districts, and the Superintendent is the Board's chief executive officer. The Board is charged with allocating state school construction money, and setting and monitoring education policies, such as certification of teachers, high school graduation requirements, school accreditation, basic education program requirements, and other policies as required by law.
